Mr. Kaji Aso
Founder and Director

Kaji Aso Studio

INSTITUTE FOR THE ARTS

Born in the Fenway, a group of artists has been working under Founder and Director Kaji Aso for 30 years. This exhibit presents recent works of members and students. The philosophy of truth in art and the beauty of nature is intertwined. We turn to the the pursuit of the arts, in these difficult times, in order to express the joy of living and to become better human beings.
